

Basic Polling Tools

Instructors Screen Basics

The screenshot shows the CCC Confer interface with several key areas highlighted:

- Basic Polling Tools:** A red box highlights the top toolbar containing icons for various polling and control functions.
- Participant List:** A red box highlights the 'Participants' list on the left, showing names like Michelle (Moderator, Me) and Donna.
- Hand Raise & Emoticons:** A red box highlights the 'Hand Raise & Emoticons' section, which includes icons for raising a hand and using emoticons.
- Stepped Away:** A red box highlights the 'Stepped Away' button, which allows the instructor to temporarily leave the session.
- Chat:** A red box highlights the 'Chat' input field and the 'Send' button.
- Basic Whiteboard Tools:** A red box highlights the 'Basic Whiteboard Tools' toolbar, which includes drawing tools like lines, rectangles, and eraser.
- Audio Controls:** A blue box highlights the 'Audio' section at the bottom, showing microphone and speaker volume sliders.
