

# PRESENTER/FACULTY ROOM OVERVIEW

The screenshot displays the CCC Confer Presenter/Faculty Room interface. The main window is titled "Whiteboard - Main Room (Scaled 195%)". The interface is divided into several sections:

- Menu Bar:** Located at the top, it contains text and icons for all feature functions.
- Participant Window:** Located on the left side, it displays participants, hands-raised, and voting tools. The participants list includes "ET (Moderator, Me, Profile)", "Daniel 3", and "Kay".
- Chat Window:** Located below the participant window, it allows for reading and sending text chat to all or privately. The chat history shows "Joined on September 16, 2010 at 10:34 AM".
- Audio Window:** Located at the bottom left, it is used for VOIP communication. It shows "Teleconference available".
- Whiteboard Tools:** Located on the left side of the whiteboard, they are used to import and mark-up materials.
- Whiteboard Window:** The main workspace for uploading and viewing PPT files, using blank whiteboard screens, and viewing and working in shared desktop programs and websites.
- Recording Controls:** Located at the bottom center, they are used to record the meeting for later viewing.

The whiteboard content shows a photograph of a lighthouse on a rocky shore. The interface also includes a "Participants" list, a "Chat" window, and an "Audio" window. The status bar at the bottom right indicates "In session for 42 minutes."
